Tentang Kami

Sebuah perusahaan yang bergerak di bidang jasa pengadaan komponen teknik, terutama terkait pneumatik dan otomasi, pompa, dan motor listrik. Kami berdiri sejak 2018.

Visi & Misi

Harapan di masa depan adalah tentu saja untuk menjadi salah satu yang terbaik di bidang pengadaan komponen teknik. Kami ingin memulainya secara bertahap dan tumbuh bersama dengan berkembangnya bisnis *customer* kami. Service dan komunikasi yang baik, kemauan untuk belajar, dan semangat untuk bekerja adalah nilai-nilai yang kami kedepankan untuk terus maju dan berkembang.

“ Kelancaran kerja komponen adalah syarat agar mesin dapat bergerak sempurna. Begitupun adanya kami, kami harap dapat membantu bisnis anda bergerak dan maju. We keep the movement going.”

Our Products

“Melalui studi selama lebih dari 40 tahun mengenai teknologi dan pengembangan pasar, TPC Mechatronics telah menjadi produsen pneumatik terbesar di Korea, suatu bagian penting dari otomasi pabrik. Tujuan kami selanjutnya adalah menjadi “Smart Factory Total Solutions” bagi customer kami dalam menyongsong era Industry 4.0.”

“Grundfos adalah produsen pompa terbesar di dunia, yang berpusat di Denmark. Grundfos menyediakan solusi lengkap untuk kebutuhan pengelolaan air anda, dan mempunyai standar tinggi dalam hal inovasi, efisiensi, reliability, dan sustainability berbagai jenis pompa.”

“Dimulai dari pabrik kecil yang memproduksi fitting di Italia, Metalwork tumbuh menjadi salah satu produsen komponen pneumatik dan otomasi terkemuka. Saat ini Metalwork memiliki range produk yang mencakup actuator, valve, FRL, fitting dan juga komponen handling.”

“Asco adalah produk otomasi ternama dari Amerika Serikat, terkenal dengan ketangguhan process valve nya. Asco telah melengkapi lini produknya juga dengan produk-produk dari Numatics dan Aventics sehingga dapat menjadi solusi lengkap kebutuhan otomasi anda dalam memasuki era Industry 4.0 .”

“Teco menawarkan solusi komprehensif terhadap kebutuhan motor induksi anda. Pilihan variasinya sangat luas dengan dilengkapi seri Inverter, dan juga seri gearbox Motovario.”

Subject: GRUNDFOS AUTHORIZED DEALER

Dear Grundfos customer,
This letter is to certify that:

PT. PANDU RODA ENGINEERING
9280001461
RUKAN GREEN GARDEN, KEDOYA UTARA, KEBON JERUK,
KOTA ADM JAKARTA BARAT 11520

has been officially appointed as Grundfos Authorized Dealer, has received training from Grundfos on our product range and is authorized to sell Grundfos product to our customers within **Jabodetabek** area.

The Authorization is specifically only on supply and after sales service of Grundfos product and spare parts. It **does not include** other services such as mechanical and engineering contracting, civil contracting, and consulting. If the authorized dealer conducts such services, it is beyond Grundfos scope of supports and Grundfos does not take responsibilities as such.

All Grundfos products purchased through our authorized dealer network are entitled to full after sales service and warranty coverage and it is fully supported by PT Grundfos Trading Indonesia and our parent company Grundfos Pumps A/S Denmark.

This letter is valid on **01st January 2025** until **31st December 2025**, or until further notice.

Callum Peck,
President Director

Yours faithfully,
PT. METAL WORK PNEUMATIC

Kristo Kenmart
Managing Director

ASCO EMERSON

04 July 2018

Dear Sir / Madam,

ASCO ASIA has always prided itself on observing the highest ethical and business standards and it has always been Emerson's policy not to pay or offer to pay anything of value to customers, their employees or persons that are not legal and proper under United States law, non-U.S. laws and ethical standards.

The purpose of this letter is to reemphasize our commitment to these high standards of business and ethical conduct and to ask you to join us in this commitment by acknowledging this letter and returning it to us. By signing this letter, you are agreeing that if you become aware of any employee, distributor or agent of Emerson engaging in improper conduct, you will let us know so we can take appropriate action.

Emerson has established a worldwide hotline (800-893-2525 in the U.S.; 770-582-5243 outside U.S.) via which you may report such information to Emerson, anonymously if you wish. We appreciate your helping us continue to maintain the highest ethical standards. Please call your ASCO ASIA representative if you have any questions.

We appreciate your loyalty to ASCO ASIA and look forward to achieving even greater success in the future.

Acknowledgment:

PT. Pandu Roda Engineering acknowledges receipt of ASCO Asia letter dated as above which reemphasizes Emerson's business ethics policy against corrupt practices and **PT. Pandu Roda Engineering** joins ASCO ASIA in supporting such a policy in order to maintain our reputation and that of Emerson in the business community.
